Specialty Skin Care "Effectives"

Compatible with all Skin Care Series

Our Specialty Skin Care "Effectives" are products designed to compliment any Newco Skin Care Series and for all Skin Types.

Everyday Sunblock (60ml):

(DIN# 02247926) - Newco uses micronized Zinc Oxide that offers 97% broad spectrum protection from UVA and UVB rays. A light everyday cream that also features Alpha Lipoic Acid and Vitamins A, C & E. Specially formulated to not leave a white coating on the skin and can be easily worn underneath make-up.

Special Edition Eye Cream (30ml): Newco's premier Eye Cream containing both Alpha Lipoic Acid & Hyaluronic Acid. This formula will help to firm and increase the smoothness of the skin. Help combat fine lines and wrinkles with Newco's Special Edition Eye Cream.

Hyaluronic Acid "Indulge" Body Lotion

(240ml): Available in Cantaloupe / Tangerine, Orchard Mist and Vanilla Zen, these body Lotions will hydrate and moisturize to give your skin a soft, smooth & luxurious feel. Hyaluronic Acid, Beta Glucan and Shea Butter along with Green & White

Tea are key ingredients. Also featured are Niacinamide, N'Acetyl Glucosamine and MSM with all-natural fragrances.

Hyaluronic Acid Products

Face Gel, Eye Gel, Hand Cream, Foot Mousse

Hyaluronic Acid is an effective antioxidant that has an incredible ability to attract water to the skin and increase elasticity. It naturally occurs in the body but declines as we age which can leave the skin dehydrated and prone to the formation of fine lines and wrinkles.

Hyaluronic Acid Face Gel (60ml): A light, grease-less gel designed for both day and evening use. Best applied after toning and before moisturizing to help increase skin hydration. This formula is fragrance-free.

Hyaluronic Acid Eye Gel (30ml):

Created specifically for the delicate skin around the eyes to help increase hydration and elasticity and reduce the visible signs of aging. A light gel that can be used day or night.

Hyaluronic Acid Hand Cream

(180ml): Available in Lavender & Pink Grapefruit, this cream will moisturize and leave your hands incredibly soft and supple.

Whipped Peppermint Foot Mousse

(180ml): A foot cream so light and airy it had to be called a "Mousse". Mango, Shea and Coco Butters form the base of this exquisitely rich moisturizing cream while Peppermint Oil and Menthol provide the delicious minty "tingle". An experience not to be missed!

Alpha Lipoic Acid-Hyaluronic Acid-Sulforaphane

Newco Natural Technology

Skin Care Program

Everyday you are exposed to harsh conditions in the environment that affect the look, feel and health of your skin. Newco Natural Technology has created a unique 3-Step Daily Skin Care Regime that will cleanse, tone & moisturize to bring back the depleted energy and vitality. The synergistic blend of ingredients help improve the appearance and health of your skin.

3 Step Daily Skin Care Regime

Step 1 - Cleanse: Essential to remove any dirt, oil, makeup or build up on the face. A gentle foaming cleanser that will not dry the skin.

Step 2 - Tone: A sometimes forgotten but necessary step to remove any residual dirt or oil left after cleansing. It will also tighten pores and prepare the skin to receive a moisturizer. A pH balanced formula with less than 2% alcohol.

Step 3 - Moisturize: Helps restore moisture and delivers active ingredients to the skin to keep it healthy and looking it's best!

Newco carefully researches all the ingredients used for purity and effectiveness. No synthetic preservatives (parabens), Sodium Lauryl Sulfate, or any artificial colors or fragrances are added and each individual ingredient is free of those same undesirables.

Check your skin type to see which Newco Skin Care Series will work best for you!

Skin Types

Normal, Mature: Alpha Lipoic Acid Anti-Aging Series

Normal to Dry, Sensitive: Hyaluronic Acid & Beta Glucan Series

All Skin Types (Normal, Oily, Dry, Combination): Sulforaphane from Broccoli Series

Alpha Lipoic Acid Anti-Aging Series

Skin Type: Normal, Mature

New Airless Pumps = Product protection to the last drop!

Alpha Lipoic Acid is a powerful antioxidant that has the ability to recycle and regenerate other antioxidants and is up to 400 times more powerful than Vitamin C. Newco's synergistic formulas moisturize and help fight the visible signs of aging including wrinkles and fine lines.

Step 1: Foaming Facial Cleanser (75ml): Pink Grapefruit

Step 2: Balancing Toner (110ml): Pink Grapefruit

Step 3 (AM): Alpha Lipoic Acid Anti-Aging Day Cream (50ml): A light antioxidant daily wear cream to moisturize and nourish the skin. Lightly fragranced with lavender

Step 3 (PM): Alpha Lipoic Acid Anti-Aging Night Cream (50ml): Higher amounts of key actives for increased effectiveness and more moisturizing properties. Lightly scented with orange, lemon & lime essential oils.

Step 4 (Optional): Alpha Lipoic Acid Eye & Neck Serum (30ml): A rich serum with the highest level of Alpha Lipoic Acid, best used at night for optimal results.

Hyaluronic Acid & Beta Glucan Series

Skin Type: Normal to Dry, Sensitive

New Airless Pumps = Product protection to the last drop!

Newco's Hyaluronic Acid & Beta Glucan Series was designed to increase skin hydration and reduce the visible signs of aging. Key ingredients include Hyaluronic Acid, Oat Beta Glucan and Pomegranate Seed Extract & Oil. Each product is lightly scented with our all-natural "Vanilla Zen" fragrance blend.

Step 1: Foaming Facial Cleanser (75ml): Vanilla Zen

Step 2: Balancing Toner (110ml): Vanilla Zen

Step 3 (AM): Hyaluronic Acid Absolute Hydration Day Cream (50ml): Formulated to increase hydration, promote elasticity and protect against the abuse of the elements during the day. It will also help reduce the appearance of age spots and skin discoloration.

Step 3 (PM): Hyaluronic Acid Revitalizing Night Cream (50ml): Increased amounts of key actives to help feed the skin during the night time regeneration cycle. A rich, luxurious cream that focuses on skin hydration and repair.

Step 4 (Optional): Hyaluronic Acid Illuminating Eye & Neck Serum (30ml): Used at night to help hydrate key areas and reduce the appearance of age spots and skin discoloration.

Sulforaphane Series

Skin Type: All Skin Types (normal, dry, oily, combination)

New Airless Pumps = Product protection to the last drop!

This lotion is designed using key ingredients for skin brightening & radiance, reverses the signs of aging, soothes dry skin, hides acne, reduces the appearance of age spots, boosts the skin's defences responsible for

limiting the damaging effects of U.V. radiation and helps protect skin from the pathophysiological effects of U.V. radiation.

The complex synergistic formula will soften and moisturize the skin and protect against the abuse of the elements.

Sulforaphane (from Broccoli Seed), Smithsonite, Fucus Vesiculosus and Green Tea Extracts are featured active ingredients in this synergistic formula.

The Sulforaphane used in Newco products is very special and different for two very important reasons:

1) Derived from Broccoli Seed - first and foremost this is the first time in the world that Sulforaphane has been derived from Broccoli Seed and stabilized in liquid form.
